

JEANNINE KELLY

Healthy Credit That Makes Cent\$

About Me...

I am the founder of The Kelly Group, a highly sought-after credit coach, motivational speaker, and author of *The 90-Day Credit Challenge & The Credit Makeover*.

What started as a single decision to pursue a better life for myself and my daughter, has since become an empire raising awareness and supporting thousands in reclaiming their financial status. I began as a young, divorced mother living in a cottage on my parent's farm. It wasn't until I was turned down for a mortgage that I came to realize the power of poor credit and the opportunities healthy credit could open.

Inspired by my own determination to live in financial freedom, I began to share my experiences and raise awareness for others in a similar position. After humble beginnings initiating my business out of a basement, I am now a leading expert in the credit industry. My work has appeared in top media outlets including *The Today Show*, *CNN*, *The Breakfast Club*, *iHeart Radio*, *Huffington Post*, *The New York Times*, *Experian*, *Thrive Global*, *Credit.com*, and more.
